Fundraising

Here at Trolley Tokens R Us we have tried to make it as easy as possible for Fundraisers and Charities.

- We have forms that you can hand out to students, parents, customers, etc. to make ordering for them easier.
- Most bulk stock orders placed before 4pm are shipped out that same day by Express Post.
- There is no limit on how many tokens you can order, and they can be mixed and matched.
- We send an invoice out with the order so you don't have to stress about paying straight away.
- You can rest assured that these are of the highest quality.
- We offer a Lifetime warranty on both the Tokens *and* the Keyrings.
- We do exchange or refund any stock Trolley Token Keyrings that don't sell.
- As well as being great for trolley's, we have found that kids love them as bag-tags for their school bags.
- When you order 100 tokens or more, you get them for only \$1.49 each
- And as the minimum RRP is \$3.00, it makes them perfect for fundraising.
- You can pay by EFT, Visa, MasterCard, Cheque, PayPal, or Money Order.
- As we are a family run business, we know what it is like to fundraise and will go out of our way to assist you ☺
